Programmable Thermostat (Full 7 Day)	X			**X	**X				X
Heat Pump Thermostat	X		X	**X	**X	X	X	X	X

Thermostats in red are most recommended.

** REQUIRES INSTALLER PROGRAMMING TO SET TYPE OF UNIT. (Heat pump or Non-Heat pump)

The control board allows the use of non heat pump thermostats, even on Dual compressor units.

Speed refers to number of compressor speeds (Normally single compressor or dual compressor)

Strips refer to strip heat or Auxiliary heat

Board refers to a control board or Microprocessor
